

Application for I-728 Funding

Orchard Middle School

Name(s): _____ approved denied

The History:

The 2001 Washington State legislature passed I-728, also known as the K-12 2000 Student Achievement Act. The intent of I-728 was to direct “surplus state revenues to provide additional resources to support high standards of achievement for all students through class size reduction; extended learning opportunities for students who need or want additional time in school; investments in educators and their professional development, etc.”

The I-728 funds may be used, “To provide additional professional development for educators, including additional paid time for curriculum and lesson redesign and alignment, training to ensure that instruction is aligned with state standards and student needs, reimbursement for higher education costs related to enhancing teaching skills and knowledge, and mentoring programs to match teachers with skilled, master teachers.”
