

OMS Tech Committee Meeting
3/10/09

Present: Julee Accardo, Terry Anderberg, Paul Appel, Jacob Bucholz, Bill Eagle, Don Johnson, Dan Myers

1. Building Tech Levy budget updates: Current budget balance is \$1,769.46. So far we have made the following purchases:

- \$182.73 – printer/copier for Dina Duncan
- \$388.77 – digital voice recorders for music department
- \$354.78 – headphones for computer lab
- \$190.02 – back up hard drive for office
- \$18.83 – speakers for art room
- \$629.95 – speaker system for small gym
- \$169.67 – amp, wireless mic for small gym
- \$570.24 – iLife, iWork
- \$517.87 – document camera
- \$419.89 – back up drive for server
- \$1,132.79 – new sound system

2. Requests for Tech Levy funds:

None.

3. Discussion of possible purchases:

- LCD projector – approx. \$550
- projector bulb for Dina Duncan's projector – approx. \$255
- memory upgrades – 256MB to 512MB:
 1. Library lab – 8 to 512MB @ \$29 each
 2. Building iMacs - TBD @ \$15 each
- hard drive for library server – approx. \$80
- two back-up eMacs to keep the lab fully running – approx. \$300 each

Confirmed that Dina's projector is mountable, so would be worth purchasing a bulb for it. Will ask LIT for help with bringing building iMacs up to 512MB. Dave Yancey indicated that he may be able to help with this also. Approved purchase of all above items (less the building iMac upgrades), which come to approximately \$1,717 and depletes our budget.

4. Next meeting: April 14, 2009
